CLOUD HOSTING & MANAGED SERVICES AGREEMENT

FICTIONAL TEST CONTRACT — FOR AI CONTRACT ANALYSIS TESTING ONLY

Effective Date: March 1, 2026
Agreement No.: CHMS-2026-0082
Initial Term: 36 months

1. Parties

Customer: Meridian Health Analytics Pvt. Ltd., 88 Knowledge Park, Noida, Uttar Pradesh 201301.
Provider: CloudHarbor Technologies Pvt. Ltd., 17 Cyber Towers, Hyderabad, Telangana 500081.

2. Services

Provider shall supply managed cloud infrastructure, application hosting, database administration, monitoring, backup services, security monitoring, incident response, and technical support for Customer's analytics platform. Services will be delivered through infrastructure selected by Provider and approved by Customer.

3. Service Availability

Provider shall maintain a monthly availability target of 99.9% for the production environment. Scheduled maintenance of up to four hours per month is excluded when Provider gives at least 72 hours' notice. Emergency maintenance may be performed without advance notice when reasonably necessary to protect the environment.

4. Fees

Customer shall pay a recurring platform fee of INR 4,80,000 per month. Additional usage exceeding the agreed capacity limits will be billed at the rates in Schedule A. Fees are exclusive of applicable taxes. Invoices are due within 30 days. Late undisputed amounts may accrue interest at 1.5% per month, subject to applicable law.

5. Data Ownership

Customer retains all rights, title, and interest in Customer Data. Provider receives only the limited rights necessary to host, process, transmit, secure, and back up Customer Data for performance of the Services.

6. Data Processing and Security

Provider shall maintain reasonable technical and organizational safeguards, including encryption in transit, access controls, logging, vulnerability management, and periodic security reviews. Production access shall be restricted to authorized personnel with a legitimate business need.

7. Security Incident

Provider shall notify Customer without undue delay and, where reasonably practicable, within 24 hours after confirming a Security Incident that materially affects Customer Data. Provider shall cooperate in investigation, containment, remediation, and legally required notifications.

8. Backups and Disaster Recovery

Provider shall perform daily backups of production databases and retain backup copies for 30 days. The target recovery point objective is 12 hours and the target recovery time objective is 6 hours. Provider shall conduct at least one disaster recovery exercise annually.

9. Support

Provider shall provide 24x7 support for Severity 1 incidents. Severity 1 incidents require an initial response within 30 minutes and continuous reasonable efforts until service restoration. Severity 2 incidents receive an initial

response within two hours during supported hours.

10. Customer Responsibilities

Customer is responsible for maintaining accurate account information, protecting administrative credentials, configuring authorized users, and ensuring that Customer Data submitted to the platform may lawfully be processed. Customer shall promptly notify Provider of suspected unauthorized access.

11. Audit Rights

Customer may request reasonable evidence of Provider's security controls once per calendar year. Where appropriate, Provider may satisfy an audit request by providing current independent audit reports, certifications, penetration-test summaries, or equivalent documentation.

12. Subprocessors

Provider may use third-party infrastructure and subprocessors to deliver the Services. Provider remains responsible for the acts and omissions of its subprocessors relating to their contracted services. Provider shall maintain a current list of material subprocessors and provide reasonable notice of material changes.

13. Intellectual Property

Each party retains ownership of its pre-existing intellectual property. Provider retains ownership of its platform, software, tools, templates, operational procedures, and generic improvements. Customer retains ownership of its applications, data, trademarks, and Customer-specific materials.

14. Confidentiality

Each party shall protect Confidential Information received from the other party and shall disclose it only to personnel, advisers, or contractors who need to know it and are bound by confidentiality obligations. These obligations survive termination for five years.

15. Insurance

Provider shall maintain commercially reasonable insurance coverage appropriate to the Services, including technology errors and omissions and cyber liability coverage where available on reasonable commercial terms.

16. Limitation of Liability

Except for fraud, willful misconduct, breach of confidentiality, infringement of intellectual property rights, or liabilities that cannot legally be limited, each party's aggregate liability shall not exceed the fees paid by Customer during the 12 months preceding the event giving rise to the claim.

17. Termination

Either party may terminate this Agreement for material breach if the breach remains uncured for 30 days after written notice. Customer may terminate immediately if Provider becomes insolvent or ceases substantially all operations. Customer may also terminate for convenience after the first 12 months with 90 days' written notice.

18. Data Return and Deletion

Within 30 days after termination, Provider shall make Customer Data available for export in a commercially reasonable format. Following the export period, Provider shall delete Customer Data from active systems within 60 days, except where retention is required by law or technically necessary in encrypted backup systems.

19. Non-Solicitation

During the term and for 12 months thereafter, neither party shall knowingly solicit for employment personnel of the other party who were materially involved in the Services, except through general public recruitment campaigns.

20. Force Majeure

Neither party shall be liable for failure or delay caused by events beyond reasonable control, including natural disasters, widespread telecommunications failures, war, governmental actions, or major cloud infrastructure outages, provided the affected party uses reasonable efforts to mitigate the impact.

21. Governing Law and Dispute Resolution

This Agreement is governed by the laws of India. The parties shall first attempt good-faith executive negotiation for 30 days. Unresolved disputes shall be finally resolved by arbitration seated in New Delhi, India, in accordance with applicable Indian arbitration law.

22. Entire Agreement

This Agreement, including its schedules and signed statements of work, represents the entire agreement between the parties regarding the Services and supersedes prior written or oral discussions concerning the same subject matter.
